Principal's Message

Gilakas'la! Welcome back! Thank you to the families who were able to join us at our Meet the Staff barbeque. It was fantastic to connect with so many of you. If you were not able to make it to the event, please feel free to contact me, Mr. Pendergast, or your child's teachers by phone or email and we can set up a time to meet. We look forward to working with you over the school year to best support your child.

There are many exciting opportunities this year for students to enhance their learning through community connections. Already this month, we have classes and groups travelling to Alert Bay for a cultural event, whale watching, exploring rock formations at Little Husan caves, doing beach studies, and observing at local businesses and services. Next month, many community agencies and support services will be joining us for a Health Conference. More information will be sent home about this prior to the event.

Last week, we met with grade groups to review the PHSS Code of Conduct and outline expectations for student behaviour. Please review the Code of Conduct with your child. As always, please feel free to contact me with any questions or concerns.

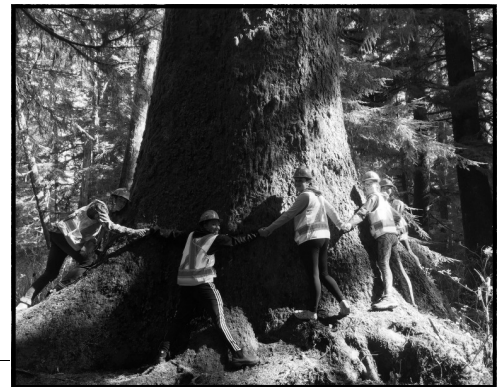

Rena Sweeney, Principal

Verification Forms

Enclosed is a contact verification form for your enrolled student(s). Please review and if there are any corrections or additions please change them on the form and return to the PHSS office. This information is very important to have in the event of an emergency.

Forestry

The Forestry Academy is starting up again this year. Any students in grades 10-12 who are interested should contact Mr. Pendergast for more information. We are excited for another year out learning in our local forests .

Allergies:

We have several students and staff with life-threatening allergies to foods and scents here at PHSS. As such, we ask that parents avoid sending foods that contain **pickles** and all **nuts**. We are also a **scent-free school**.

Picture Day!

Picture day is coming on Friday, September 28. Make it simple by ordering your portraits online at mylifetouch.ca, using your Picture Day ID (**QO028451Q0**) and child's first name to get started. If you prefer to order on paper, we will be sending an order form home as well.

Remember to smile and have fun!

Parking Lot Safety

The speed limit is 7 km/h on school property. If a student is driving to school, they will need to arrange a meeting with Mr. Pendergast to receive a parking pass for the school year.

Congratulations

to the following students for finishing semester two on the Honour Roll for the 2017-2018 school year:
