

PHSS Grad 2025 Committee Meeting
Wednesday, April 16, 2025
PHSS Library, 6:30pm

1. Fundraisers

Amanda has been attempting to contact Cynthia regarding licence for next cash raffle. Do we actually need the \$\$? Half of the dinner has already been paid for (\$1,100 still owing plus gratuity), and maybe only 8 more grad gifts needed. Vending machine will likely contribute \$500+. Paint night and beach clean up are still on deck. Bank account currently sitting at more than \$15,000 so we are likely okay. Will need to save \$1,000 for next years grads.

Students also have an idea for an event with entry fee that will have various “stations” (e.g. baking, tape teacher to wall, darts); could attach to wellness day and do over lunch; some funds would be needed for supplies (duct tape, balloons, etc.); Daphani to start getting organized and can let us know what needed.

2. Decorations

2nd order of tulle has been delayed so should we re-order from somewhere else? Yes. Amanda will reach out to Angela.

Temu order arrived – Amanda to unpack and take pictures that can be shared.

3. Parade route

Mecca / Maxtin checked out but Amanda may get them to go again with her so can figure out timing, etc.

Amanda hasn't heard back from Janet regarding insurance so may call and ask if anyone else can assist.

4. Casino prize update

Nicole has distributed letters to quite a few businesses already asking for donations. Can also start buying things if needed. Could easily do one week out if need be.
